DATE - 12/05/2025

2. PRAYER REQUEST

- Please continue to pray for our state, Manipur, as the conflict is still ongoing. Also, pray for India, as a serious issue has recently emerged involving Pakistan.
- I would also appreciate special prayer for my health, as I have been feeling weaker lately. I need to regain strength to continue serving the Lord and reaching more souls for Christ.
- Please pray for the follow-up program for the children who recently accepted Christ. Pray that they may grow in their faith and be firmly rooted in Christ. A few of them are also considering joining the baptism class.
- I have continued my counseling sessions, particularly with the younger ones. Please pray that they may come to understand God's love deeply, and that I may be guided in helping them realize and experience His love personally.

3. THANKSGIVING POINTS:

- Although I am unable to travel to distant or various places, God continues to use me right where I am. Even from home, I am able to share the love of Christ with both youths and adults.
- On Sunday morning, April 6th, after the worship service, three girls approached me seeking counseling. After spending a couple of hours together, they accepted the Lord as their personal Savior, and their hearts were filled with joy.
- By God's guidance, our ministry among the widows is going well. I had the opportunity to share God's Word with them on the second Sunday of the month, spending time in prayer and enjoying a wonderful time of fellowship.
- I also had the opportunity to reconnect with the young people who recently accepted Christ and to conduct a follow-up session with them.
